Hello, Ladies!

I would like to thank you for attending our 5th annual Women's Forum on February 9, 2007. Your support of this program is the reason it continues to be so successful!

I would also like to make you aware of a few things:

1. Our 2008 women's forum, "Heart of the Matter", will be held on Friday, February 8, 2008, at the Pinnacle. We are strongly considering offering an afternoon session, in addition to our 8am-1pm program. Please look for our ad in the December and January issues of HEALTHY LIVING NEWS magazine.
2. NWOCC has decided to offer our 2007 Women's Forum at St. Charles Hospital this fall. It will basically be the same program we had in February. We hope to reach an audience that may not choose to travel as far west as the Pinnacle. The date for this event has not been decided.

Thanks again for all your support of our programs. If you have any questions, feel free to call me at 419 842 3008.

See you in February!

Katherine Kortier, Director, Physician Services
